Presents

The 1967 Bobcat

Kindly, we hope you will
join with us in
celebrating your
achievement in
this year. We are
proud of you and
the way you have
made it. We are
sure you will
continue to be
successful in
the future. We
are proud of you
and the way you
have made it.
We are sure you
will continue to
be successful in
the future. We
are proud of you
and the way you
have made it.

Reflections

We pause for a second
to reflect on the scene
we are now leaving.
There are memories
of friends, places and things . . .
happy faces . . . work and play.
All this made up a part of our lives.

This
was
the
year . . .

Dr. Crosswait

Award and Scholarship Recipients

Lydia Schultz Knappen Award

Laurence Knappen of Arlington, Virginia, this year inaugurated the Lydia Schultz Knappen Award in memory of his wife. Both are graduates of BHS.

Mr. Knappen donated \$6,000, the income of which is given to two students in each of the fields of mathematics and English, who are rated as top students. These awards are given for excellence in these fields only. This will be a continuing award.

This year Tom Fox and Jan Roberts rated first and second in mathematics and Sue Horn and David Bugg rated first and second in English.

Mr. Knappen also gave \$5,000 for equipment in the new high school building.

Homecoming

Homecoming festivities were climaxed with the crowning of Lord and Lady of Bobcat Day. Lady Bêth Kallemeyn and Lord Lloyd Beneke were crowned by last year's royalty, Nancy Willard and Don Sogn. Their attendants were Linda Mehegan, Kathryn Gross, Gary Steen and Keith Sutton.

Other highlights were the famous Bell Cheer following coronation, where all students were spurred on to tackle any obstacle. Some of us saw the Elvis Presley movie, "Spin Out," offered by the State theater. Perhaps the most stirring moment of Bobcat Day was when Craig Osvog, disabled by an accident and lying on a stretcher watched the Bobcats struggle against the Patriots.

Burn, baby, burn. And most of us did, as the Bobcat bonfire burned into the night, warming our hands as the pep band warmed our hearts and spirits. Our displeasure at the windy weather was dispelled by a vision of the next day, of the big game against Lincoln and the Bobcat Day dance.

After a disappointing loss to the Patriots, the swinging scholars of BHS gathered at the gym for the annual Bobcat dance. The New Breed provided the musical accompaniment for dancing.

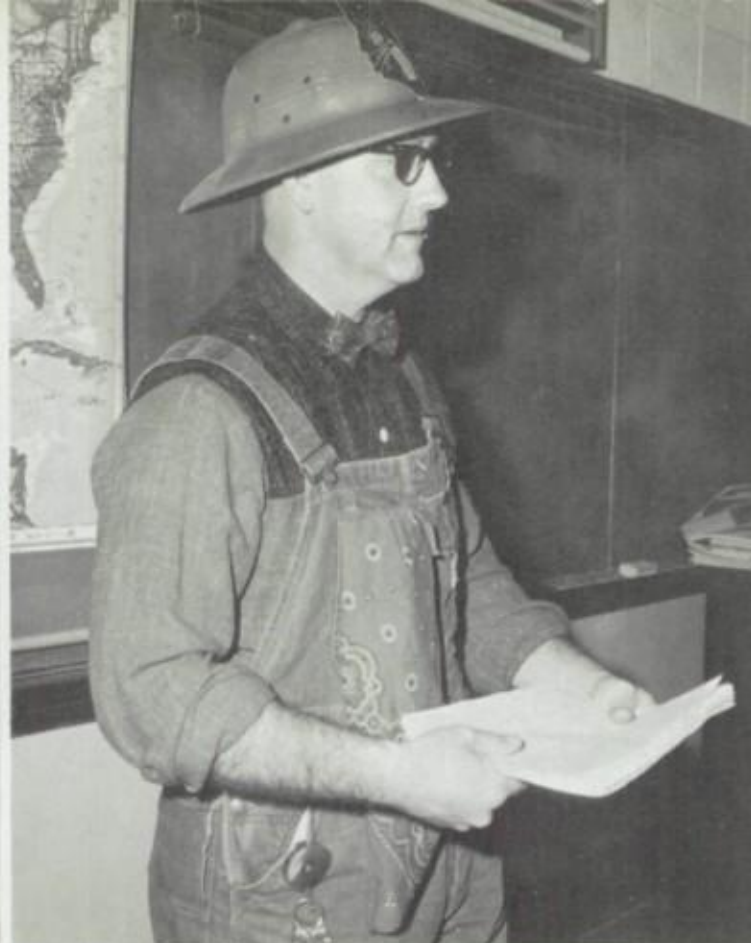

We owe full credit to our Bobcat Day Committee, Ginny Marshall, Linda Mehegan, John Finn, Laurie Klinkel and Kathryn Gross for making our Homecoming celebration what it was.

The New Breed bred a bellowing sound with a captivated crowd to produce a fine evening's entertainment for all those present.

"Listen, either ya do or ya don't."

"Do you get the irony of it all, with it?"

"I think this is my better side."

Red and Black Day

Red and Black Day, a day of colorful and ingenious costumes, was its usual success. To a stranger in the hall a glance through the door of a classroom would make him wonder if he were really in a normal school, but recitations and testing went on in the usual way.

The first Powder-puff football game was a rousing success as the senior girls defeated the underclassman girls by a score of twelve to nothing. Using the shotgun formation made famous by the San Francisco 49ers, the beauteous powder puffs ran into a tough blitz by the defensive lines and red-dogging linebackers that would have made Mr. Gibbons proud. Both touchdowns were scored by Crazylegs Ness on end runs. The class of '67 trusts that this game will become a tradition at Brookings High.

"Ratti tat tat," said the little tin man.

The National Honor Society

The National Honor Society is, as the name implies, both a national group and an honorary society, so the group does not go in for socializing. The members are recognized for their character, leadership and service and must have a grade average of 3.5.

This year's officers were: David Bugg, president; Susan Horn, vice president; Peggy Froslie, treasurer; and Kathryn Gross, secretary. In the spring the senior members initiated the junior members, who will carry on the following year. Membership is selective, and is thus a great asset in obtaining scholarships. The senior members were recognized at graduation by their gold cords and tassels.

Part of a desired expansion program for GAA was tried this year by adding new activities besides the regular all star basketball game. One was the Girls State Gymnastic meet in which their fitness and ability qualified them to go on and enter the meet at SDSU in which they won third place. This spring a group of girls took First Place in the Watertown Invitational track meet after previously having placed in the intermural meet.

During the winter the girls participated in such sports as badminton, volleyball, and tumbling following last fall's activities of basketball and soccer.

Declamation

This was the Year we received the NFL NATIONAL AWARD

An interest in the field of declam brought out thirty-one students participating in the divisions of humorous, oratory, dramatic, and poetry. Winners at the local contest were Helen Sheimo, Robyn Connelly, Scott Leonard, and John Richards. These local winners took part in the Region Contest at Madison where all received an excellent rating. Declam was coached by Mrs. Joan Donaldson.

NFL is an organization for those students who have demonstrated their speaking ability by participating in various speech activities. Membership is gained by the accumulation of points. Six of its members: Kelly Dolan, Beth Groethe, Kathy Gross, Sue Horn, Scott Leonard, and Vicki Thomas attended State Student Congress at which students from the entire state debated the legislation in question and proposed their own legislation. NFL reflects best the entire speech program. James Klassen was its adviser.

Debate

Twelve students returned to the Varsity debate squad this year in what proved to be a very exciting and profitable season. Four of last year's "Big Six" comprised the core of this year's debate squad; they were: Dave Pearson, Gregg McCarty, Phil Kohl and John Richards. Other debaters who participated were Rick Wahlstrom and Kathryn Gross, voted this year's most improved debaters, Vicki Thomas, Sue Horn, Scott Leonard, Beth Groethe, Kelly Dolan and Bob Lytle. Greg McCarty was voted "Most Valuable Debater."

The squad won honors at nearly every tourney they attended. They received first place at Concordia, S.D.S.U., Yankton, Morningside, and the Divisional Tournaments. Second place was received at the Big Eight Tournament in a four place tie, and third place was achieved at Worthington, NFL and the State Tournaments.

Individual events also proved to be a strong field for our squad. Sue Horn, John Richards, and Phil Kohl all placed third place at the State tourney in Women's and Men's Extemp and Oratory. Scott Leonard proved to be the only one to merit a trip to the national competition to be held this year in Nashville, Tenn. by winning first place in original oratory at the NFL Tournament. His oration "The Battle Cry" is based on a defense of the stand of our American Negroes.

BROBOCA EARNS ALL-AMERICAN RATING

The Broboca Staff completed a successful year of recording and editing the school's activities. In reward for their work, they earned an All-American rating from the National Scholastic Press Association. Seven BHS journalists were chosen for Quill and Scroll academic records. Janice Jensen and David Bugg captured individual honors from the Watertown Public Opinion. Kathryn Gross acted as librarian for the Broboca.

One of the bright spots in the year's athletic spotlight was the showing of the tennis team. Led by the inspiring play of Chuck and Marty Johnson, the team rolled to a 5-2 dual season record. The squad then ended the season by running away with the Conference Championship and putting in a good showing at the State Tournament.

Golf

The Bobcat golf team, under the direction of Nig Johnson, compiled a 5-4 dual meet record this year. Rick Reimers qualified for the state golf tournament and placed thirty-first in a field of 49.

Johnsons Take Conference

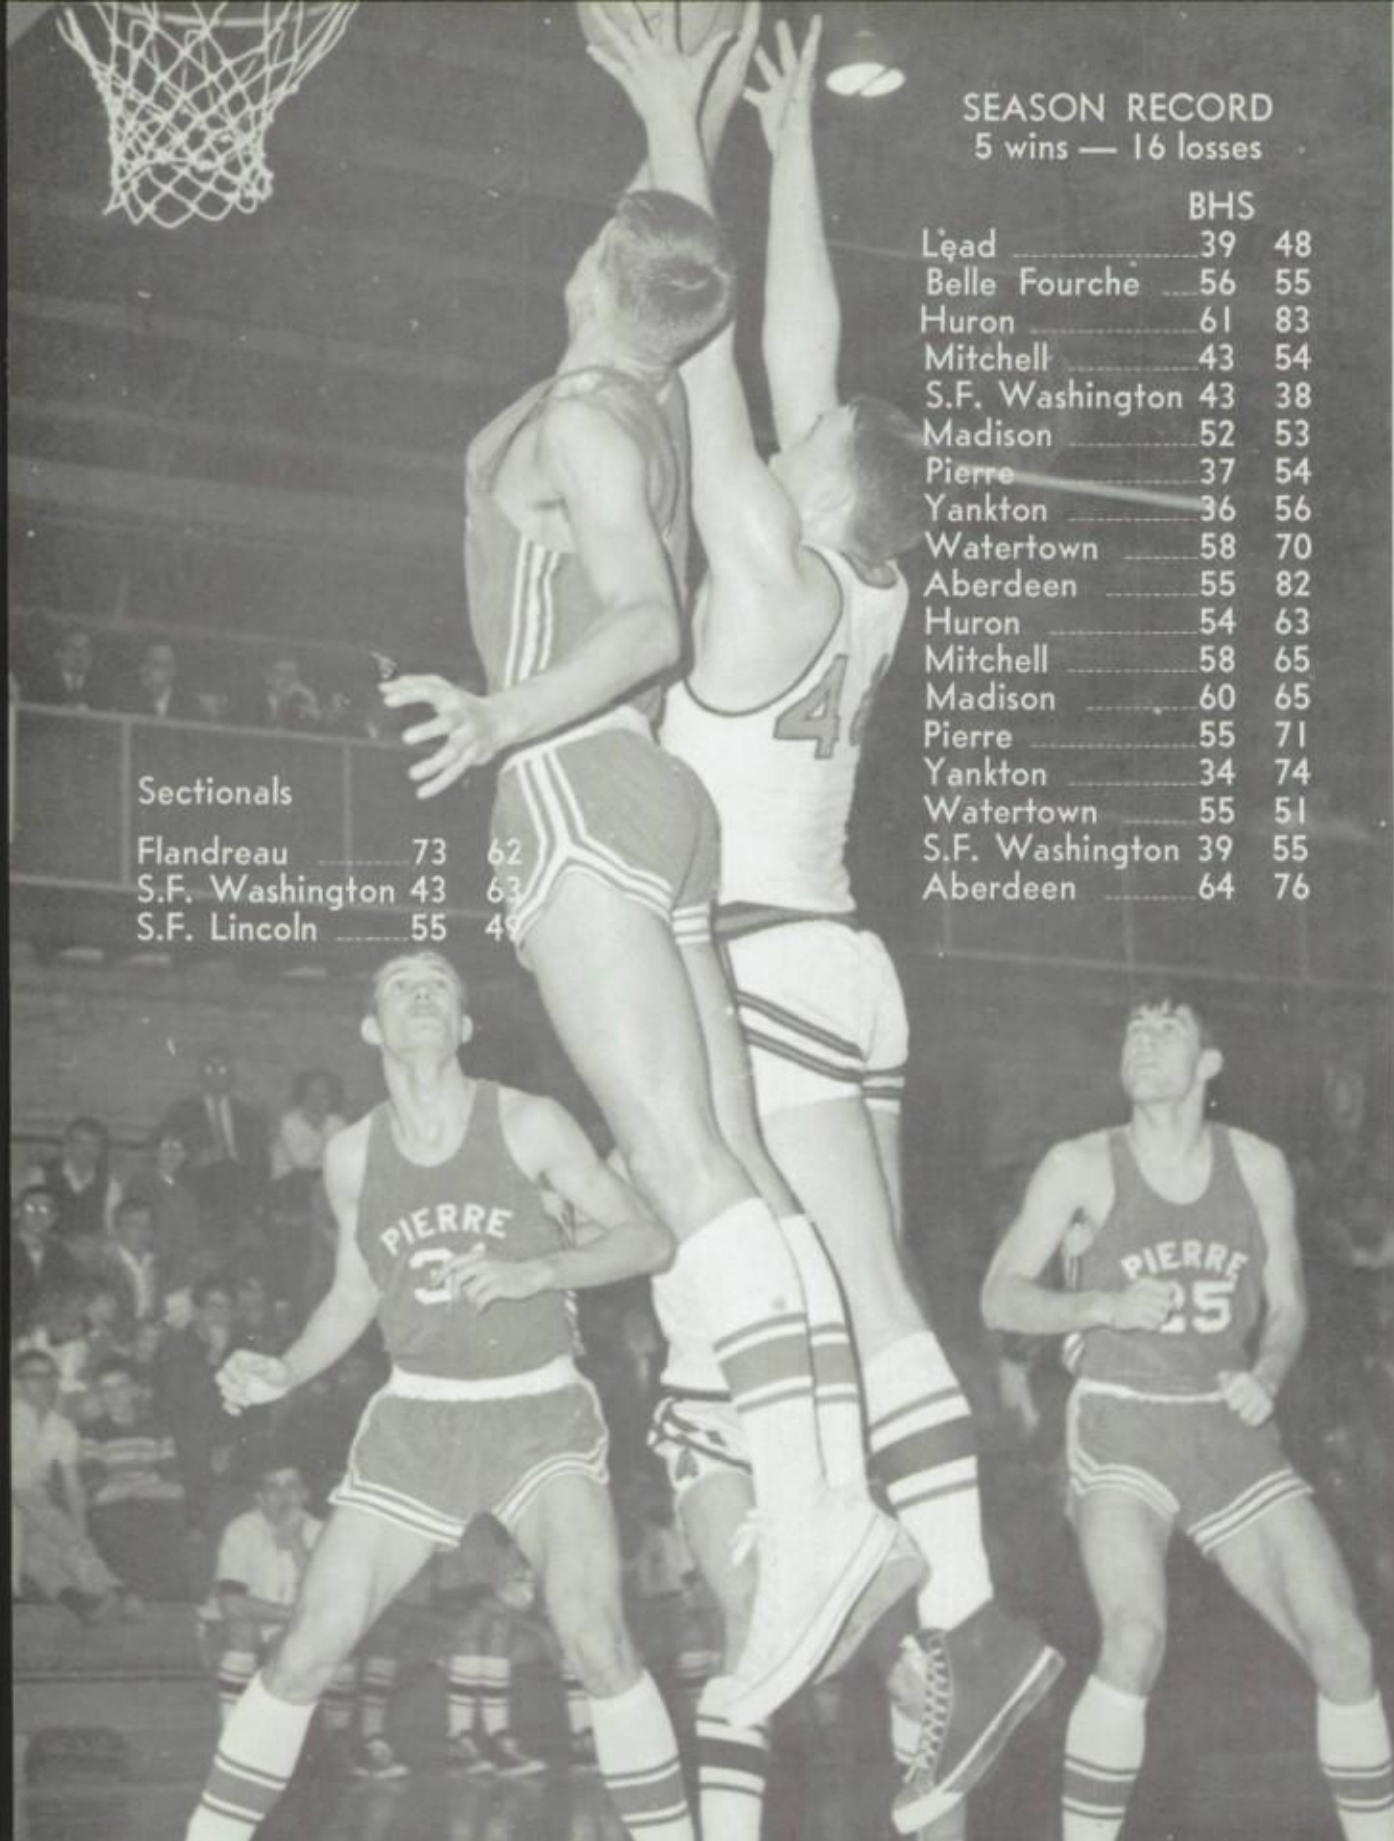

Posing threats in both singles and doubles matches for the tennis team this year were Chuck and Marty Johnson. Marty won the ESD Singles Championship, and Chuck and Marty together took the ESD Doubles Championship. Both then went to the State Tournament where each lost in the semi-finals in singles competition and lost together in the semi-finals of the doubles.

FRONT ROW: T. Osterberg, J. Arndt, B. Adams, D. Otterness, G. Cochrane,

This season seemed to be one of the longest and least rewarding in the history of BHS basketball. The team saw only five returning lettermen and was hampered by this lack of experience throughout the season. After a loss and a victory on the biannual Black Hills trip, BHS lost two in a row before copping a surprising victory over Sioux Falls Washington. Immediately after defeating S. F. Washington, it appeared as if BHS might win two in a row by defeating Madison; but when the game was over, BHS was second best by one point. But from then on, the team just couldn't put together a sustained drive. Including the loss to Madison, the Cats lost ten games in a row before finally adding another victory by defeating the Watertown Arrows. BHS then completed the ESD loop with two more losses. The Sectional Tournament at Sioux Falls saw the Cats in much better form than the rest of the season and was a pleasant surprise to the fans. By winning two out of the three hectic games, they placed third in our section.

Tom Osterberg, who started the season on the sophomore team and was later moved up, proved to be a great complement to the team's spirit and play; and this coupled with the fact that many of the players will be back next year gives hopes for a much better season next year.

"A" Wrestlers Take the State

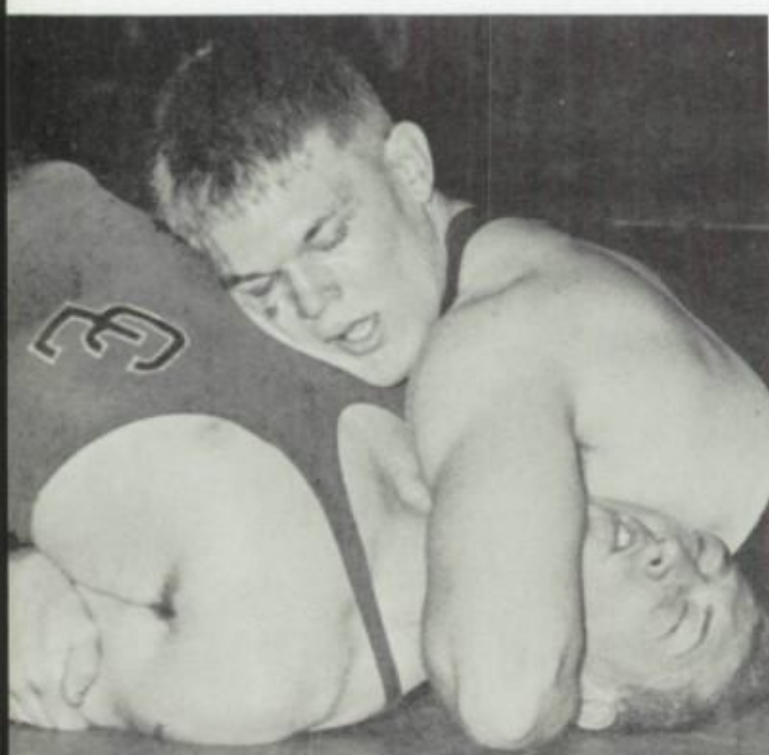

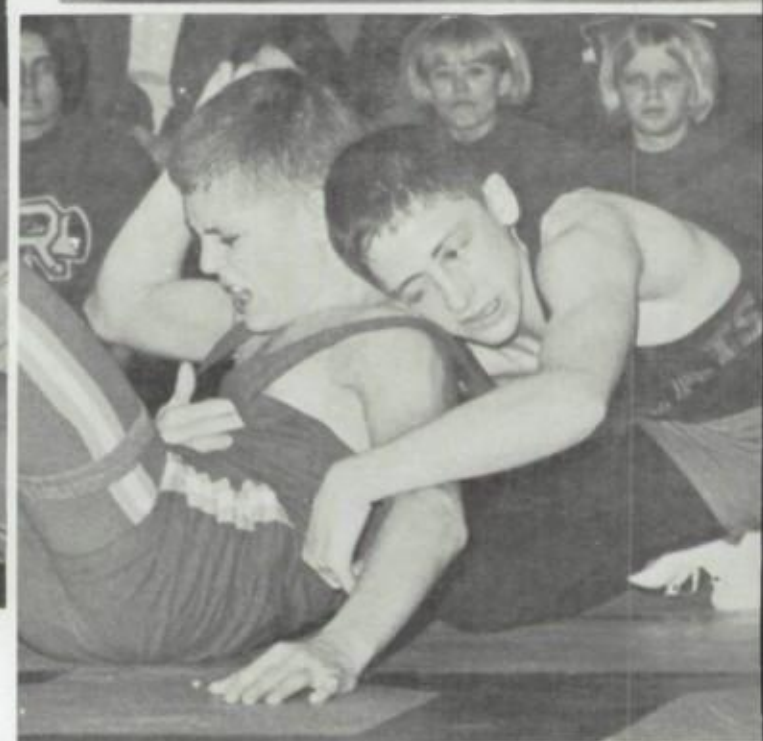

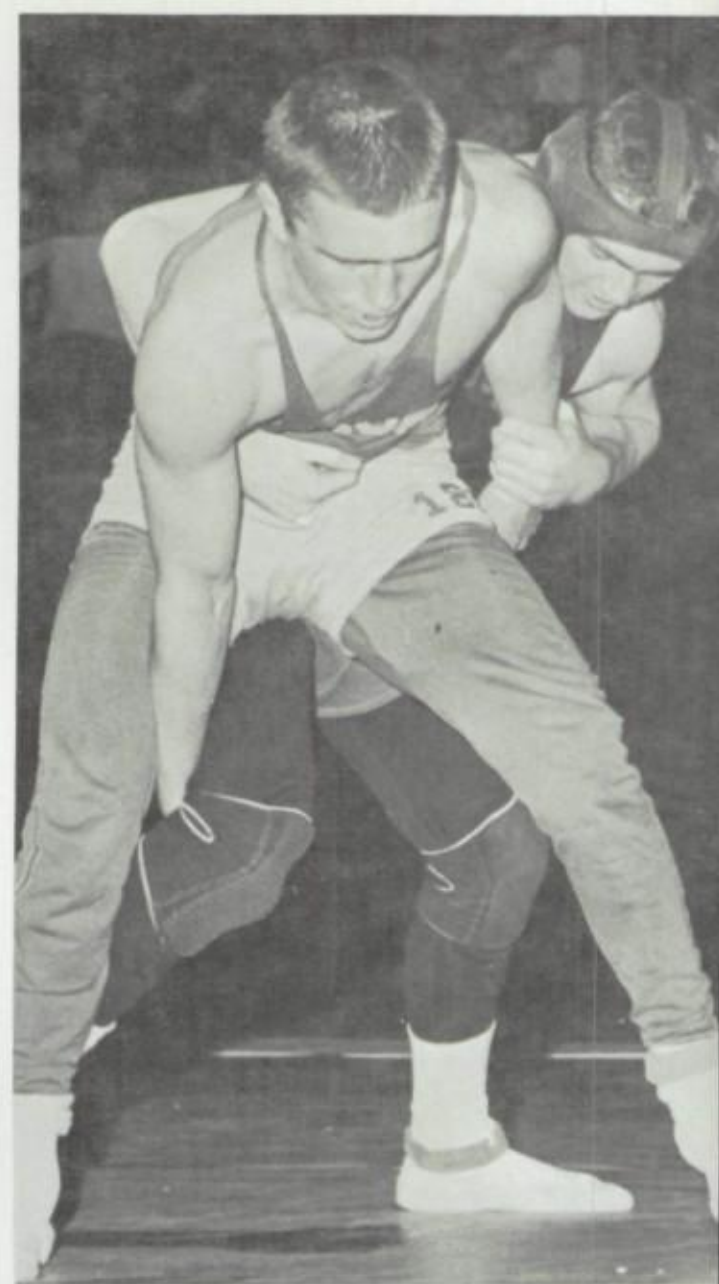

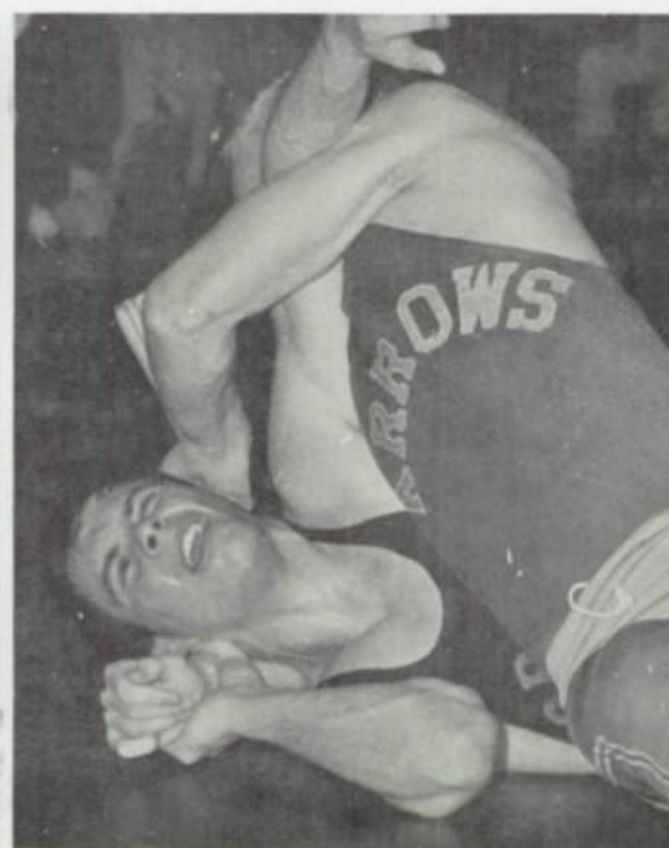

This year's wrestling season was one of which many coaches dream. Under the guiding hands of Coaches Gibbons and Sherrill, the grapplers compiled a perfect seasons record, won the conference, the Regional, and went on to win the state meet by compiling 59 points to the second place finishers 48. Three men, Jon Lundeen, Jerry Martinson, and Stan Whitmore went all the way to the state championship with Laun Sanderson finishing second. Although wrestling is an individual sport, the boys also considered it as a team effort and they all felt this was one reason for their success. There were many discouraging moments, such as the night when we were behind Watertown, our arch enemies, by two points with two matches left, but as the record shows, the sweetness of victory drowns out all sorrows. The squad got state-wide coverage for winning the state and the town gathered in a homecoming celebration. Along with the three champions a number of the men had near perfect season records. The morale was always high and the men were always tough because they were continuously being pushed by the "B" squad, who deserve a lot of credit. With the help of the cheerleaders and the energetic wrestling fans, B.H.S. had a most outstanding year which will undoubtedly go down in the history of the school.

Track

Is compulsory track the thing for Brookings High School? We did beat Volga and Clear Lake in a triangular meet but then again we were beaten by Madison and we failed to do well at the Madison Invitational. Bob Adams set a record in the low hurdles and Alan C. Parker set one in the 2 mile run, probably because this was the first year for this event. Bob Adams and Jay Leibel qualified for the State Meet and both placed. Adams took fourth in the low hurdles and Leibel took fifth in the high jump.

Membership in Kinetic Club requires a probing interest in science and a willingness to work on the part of the students. Each member is required to initiate and organize a science project and to present progress reports at the regular meetings of the club. It is not a social club, but one designed for learning.

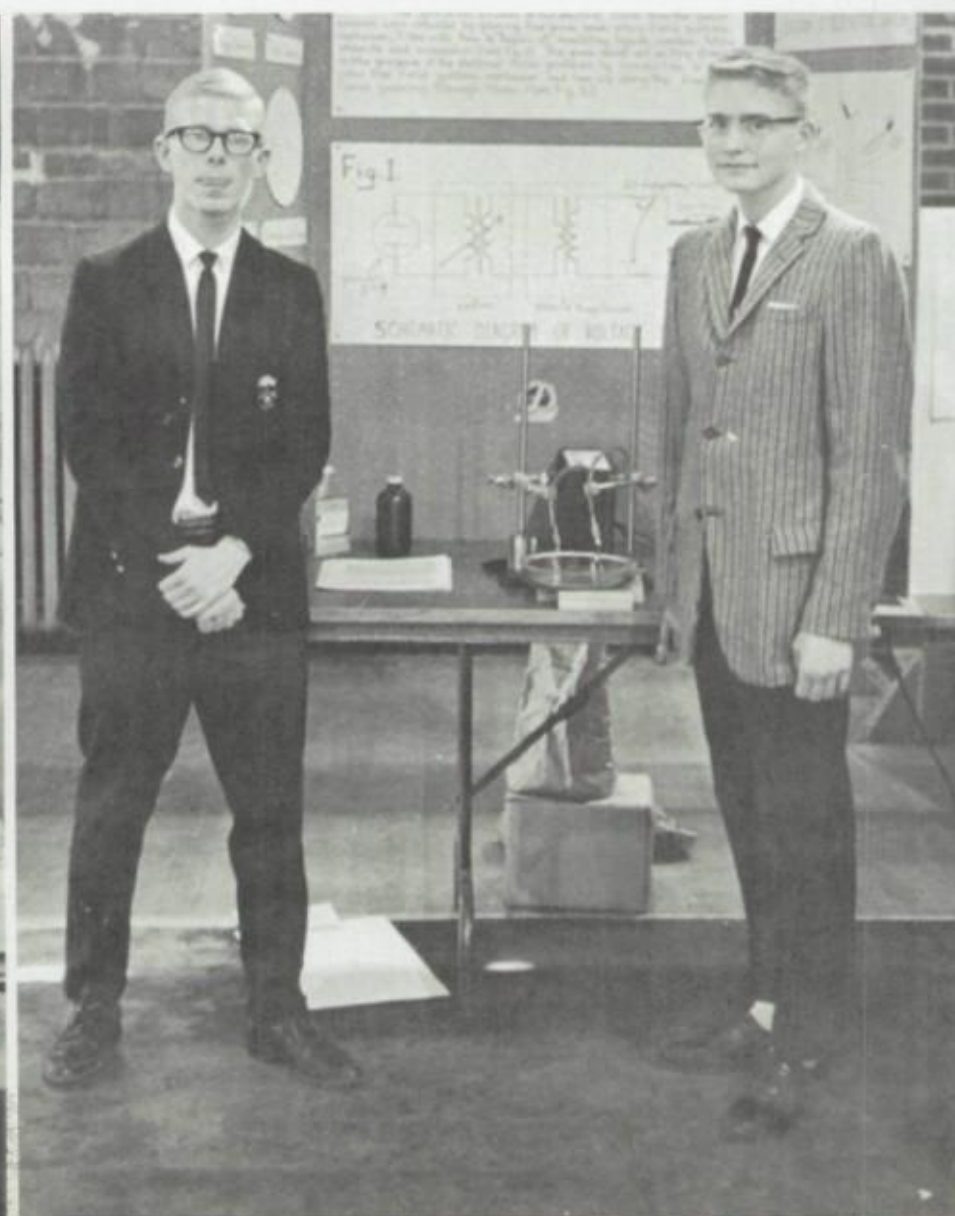

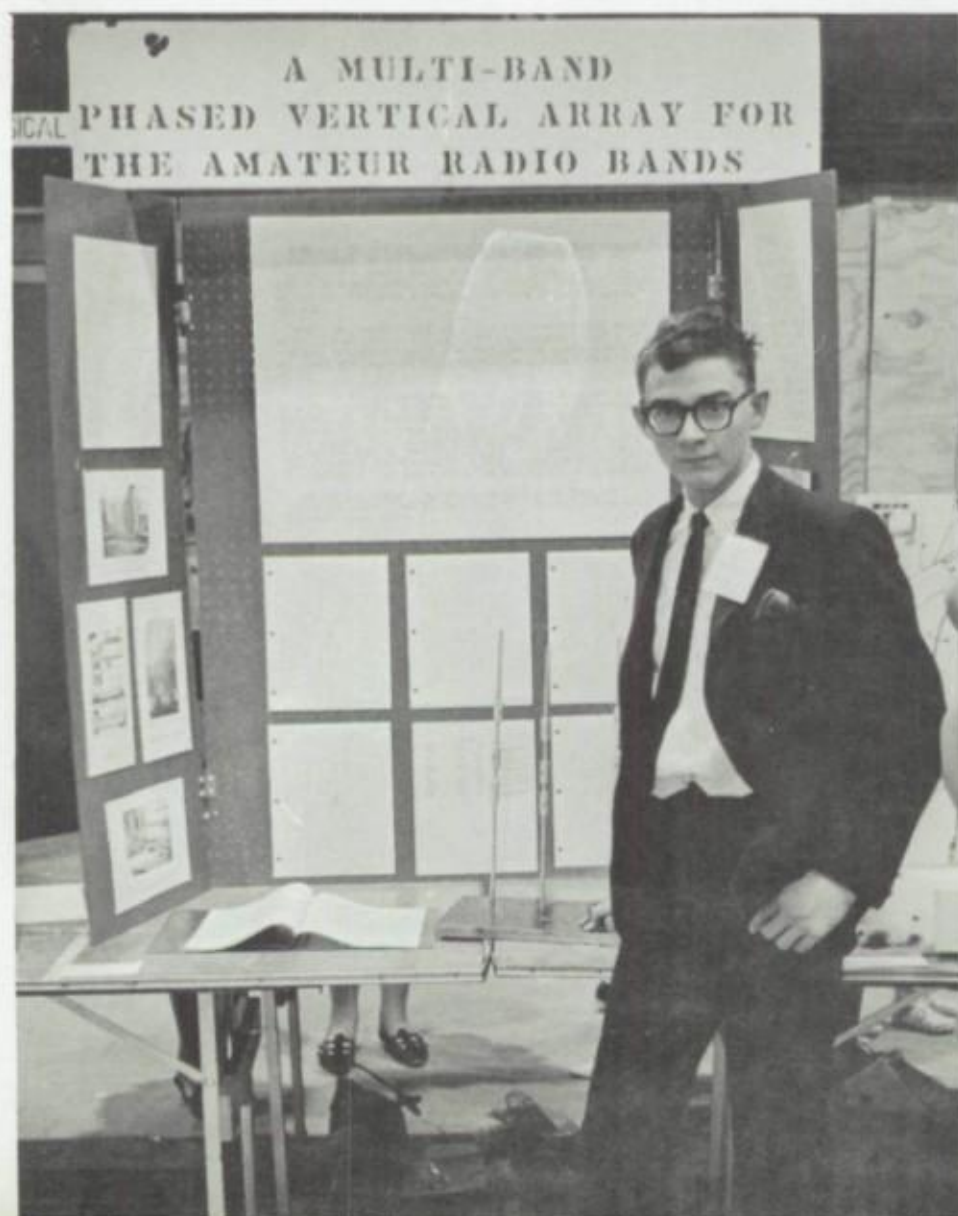

Brookings participated in two major events. There were five participants in the Regional Science Fair. Seven awards were received by Brookings Club members. Eight students gave research papers at the Junior Academy of Science.

Kinetic Club served as host for the Annual Meeting of the South Dakota Junior Academy of Science at SDSU this spring.

Kinetic Club

James Duffey earned a two week Navy Cruise and also the Bell Award which included a trip for him and Mr. Karnes through the Bell Laboratories in New Jersey, with his project as pictured below.

Randy Christenson and Ronald Haverman did a joint project: "Studies of Electric Fields of Force." They received a first group award at the Science Fair and won a twenty-five dollar research grant at the Junior Academy of Science.

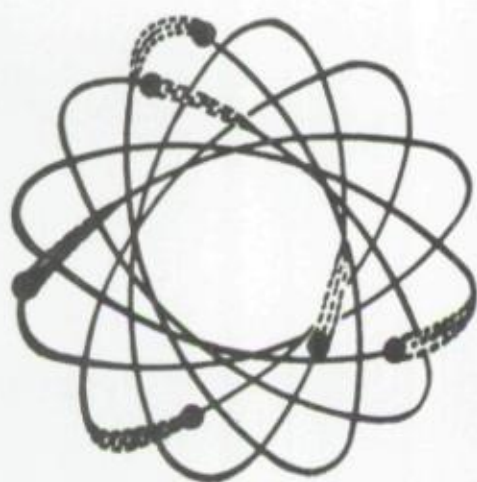

Junior Engineers Technical Society allows those students who have an interest in the fields of engineering to develop that interest and to understand the requirements of the profession. In contrast to the projects of Kinetic Club, Jets projects are orientated toward application of scientific principles, rather than toward pure research.

The local Jets Club served as host for the Engineering Open House at SDSU. Guy O. Karnes was the advisor for both Kinetic Club and Jets.

Future Teachers

The Highlight of F.T.A. was the rewarding experience the girls received when observing and teaching the grade of their choice. This organization is made up of the juniors and seniors who are interested in teaching as a career.

The members of F.T.A. started the new school year with a potluck supper and initiation. The next event was a teacher's clinic sponsored by the Kiwanians and the Delta Kappa Gamma at S.D.S.U. To finance any activities the club sold paper-back books in the halls after school.

Beth Kallemeyn, President, introduced our guest speakers for the year who were Miss Kathryn Ecola, Miss Helena Papritz, and Mr. A. Brooks.

German Club

This year was busy for German Club members. Meetings were held once every month. The activities of these meetings varied. Included were, singing, discussions, and slides of Germany shown by members. In December, the club held its Christmas Party. Highlights included a skit, group singing, and a time for everyone to Polka. In March the annual Fasching Party was held. It was a time of eating, dancing, and just having fun. This past year, we also had a German Band and German Chorus. The function of these groups is to perform at the Christmas and Fasching Parties. This year was one of fun as well as success for the German Club.

Spanish Club

Los Amigos

Saludos, Amigos. No olvidemos las fiestas que tuvimos en el club. What fun we had planning meetings, initiating new members, breaking the pinatas at our Christmas party and Spring Fiesta (recuerdan?) and having native Spanish speaking persons enhance our knowledge of Spanish and of their countries.

National Spanish exams were purchased with club dues and prizes were awarded to the finalists.

The year's activities closed with a pot luck supper honoring the graduating seniors and the new officers.

Recordemos, "Adelante, siempre adelante."

Latin Club

From the slave-trade initiation to the celebration of the Saturnalia to the Roman Banquet, Latin Club members enjoyed the time they spent at meetings and at the same time gained valuable knowledge of Roman and Greek history and mythology. Talks, skits, and games served both entertaining and educational purposes. Officers were Kathy Kirk and Jim Kessler, consuls; Laurie Klinkel, scriba; John Richards, quaestor; Kathy Gross, muntius; and Mike Kohl, sentinel.

At the December celebration of the Saturnalia Laurie Klinkel and Rick Wahlstrom were crowned Regina and Rex. Winners of the costume contest at the Roman Banquet were Rick Wahlstrom, Gerry Albright, Susan Moe, and Janice Briggs.

The Student Council consists of one member elected from each homeroom. The system introduced last year, of electing two members at large from each class, was carried over to be used again this year. They served as a mediator between students and the faculty. Under the leadership of Student Body President, Gary Steen and through the council's diligent efforts, a successful experiment, "Grub Day" was the highlight of their accomplishments. This initiation of the first dress grubby day, which was highly successful, did serve a purpose. A fee of 25c was charged for the privilege of wearing grub clothes, thus accumulating money to be used to furnish the new student lounge.

The future nurses went to work to get the feel of being a nurse by helping in the nurse's office. The club's activities consisted of a field trip which took them to Sioux Falls to tour the Sioux Valley Hospital Program and their facilities as well as touring Augustana College. Other meetings included movies and speakers. Miss Kaufman and Mrs. Broadski came from the college to acquaint the girls with the nursing program at S.D.S.U. Miss Ecola discussed speech defects. In March, Dean Hinsvark from S.D.S.U. presented the program. To finish out the year, the girls attended the State College F.N.A. Club's annual picnic, as guests.

Future Homemakers

"To help each member recognize her abilities and to strive for full development" was the theme of the F.H.A. this year. The State project "South Dakota Beauty — Our Duty" furnished the impetus to the girls to paint the wastebaskets in bright colors to initiate a clean-up of the school.

During the National F.H.A. week a red rose vase was placed on the desk of each teacher in the senior high school.

One of the programs dealt with Careers in Home Economics at which a panel of professional women explained the various fields.

Selling apples after school hours provided money for the chapter's activities. Fifteen dollars were given to the State Scholarship fund, and twenty dollars to Mrs. Maas of Volga.

In the Spring the Club featured Parent's night which included the installation of officers, and a style show of the work of the girls. Nancy Morgan showed slides and told of her stay in France during the previous summer.

Music

Concert Band

This was the year of change for the Brookings High School Band. August saw the arrival of Robert O. Schaefer, the new director. He came to Brookings from Morris, Minnesota, where he had been director for several years. This was also the year that viewers of the Hobo Day Parade or the Bobcats' Homecoming football game saw the band perform in its new red and black uniforms. This year witnessed the creation of a new instrumental group, the stage band, "Bob's Cats," which played at BB games. It also managed to steal the show when the band went on tour in May.

BRASS SEXTET: John Richards, Steve Kellogg, Bob Adams, Phil Bjordahl, Rick Wahlstrom, Dave Johnshoy.

This was the year that Brookings marched off with top honors at the small-group contest at Watertown. Once again, Brookings received more superior ratings than any other school there. Nine instrumental soloists rated superiors. Speaking in total figures, Brookings pulled in some thirty superiors, with nineteen of those earned by the instrumentalists. Seven of the groups and soloists were recommended for the Grand Concert. They were Dave Johnshoy, Tuba Soloist; Nancy Morgan, Violin Soloist; John Richards, Cornet Soloist; String Quartet; Clarinet Quartet; Madrigal Voices; and Clarinet Choir. Because of the lack of time, only John, Nancy, the four clarinets and the Madrigal actually performed that night.

Several of the ensembles also performed at various civic functions during the year, as did many of the soloists.

Orchestra

This was the year that the String Department of BHS made an outstanding showing not only at the Small-Group Contest at Watertown, but also while on tour through Minnesota with the Band. All-State Orchestra in November found Nancy and Peggy Morgan, June Williams, and Mary Sanderson performing. The String Quartet and Soloist Nancy Morgan, who had been in the Grand Concert in Watertown, accompanied the Band on tour.

SELECT CHOIR OFFICERS: Seated: Laurie Klinkel, Librarian; Linda Mehegan, Robe Mistress; Barbara Watson, Secretary; Mary Lue Shirley, Librarian. Standing: Craig Osvog, President; Gene Cochrane, Vice President; Bob Adams, Robe Master.

Lyle Kline, Director

This was the year that the vocal music department of BHS welcomed a new director to the school. Mr. Lyle Kline came to Brookings from Miller, South Dakota where he had taught vocal music; he replaced Mr. Dennis Graber. Mr. Kline directs the Select Choir, L'Allegro, Boys' Chorus, and Girls' Glee, as well as the several junior high vocal groups. It was through the combined efforts of Mr. Kline and Mr. Schaefer that the first annual Pops Concert was held in May.

These Were Our Best — All-State Chorus Members

Select Choir

More than 80 high school students make up the BHS Select Choir, the school's most prominent vocal group. The choir's first appearance was in September, at the Vocal Music Clinic at SDSU. After that, the group provided music at the Christmas and Spring Concerts, as well as at the Pops Concert, a new innovation of the BHS Music Department. During Holy Week, a specially chosen group from the choir sang for the community's Eastertide Services.

Club Shenanigans

What a blast!

Would you believe a teacher?

Look mom! No Karnes!

It was a very bad year.

The missing link.

Visiting hours.

Dave all tied up in school activities.
Dougie works up a sweat.

Eight heads.

The first bird of spring.

The poppy peddlers.

Foot in mouth disease.

Science Club

The Student Council is made up of a member from each homeroom elected by the room to act as its spokesman when the Council meets. The Council acts as the go-between for the administration and students. Problems are discussed and the students have the chance to air their opinions. Principal Johnson meets with the students.

Stamp Day was a special project sponsored by the Council. Monitors were chosen and placed in the halls for a certain period to check on the behavior of the students.

The Science Club was made up of those students who were interested in science. Projects were undertaken for the Science Fair and their progress was reported at each meeting. "New Accomplishments in Science" was discussed at one meeting. At another time the members toured the SDSU microbiology laboratory with Dr. Robertstad. Films were used at other meetings.

Five members participated in the SDSU Science Fair. Jane Robertstad received a merit award for her project in the biological sciences division. Beth Morgan, Paul Foreman, Tim McCarthy, and James Wentzy received certificates.

Mr. Elliot was the advisor, Tony Evanoff, president, Clark Walz, secretary, and Fred Hargett, treasurer.
